POMONA'S

Children's Party Function Pack

Here at Pomona's we love to host and organise children's parties!

Our Gallery on the first floor is a spacious room ideal for your little ones to sit down, play around and enjoy themselves! Not forgetting Mums and Dads who can relax in the cosy library (adjoining room) and enjoy a coffee or a glass of champagne and a bite to eat while the children are entertained.

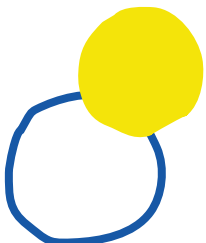

How it works...

We offer two windows for our Children's parties:

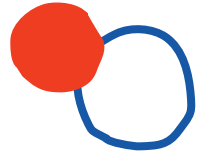

MORNING - 11am-1pm with food served at midday
AFTERNOON - from 3pm with food served from 4pm

Hiring the Gallery and Library costs £250 for the two hour window and we charge £100 for each additional hour if required. Don't worry, we allow 30 minutes 'setup' time free of charge.

We are able to offer a full catering service for your birthday party which includes Children's Food, Canapés and Drinks. We will provide you with a dedicated server to look after your guests from start to finish. Details of our food menus can be found on the next page. Please note: we are unable to provide children's entertainers and decorations. You are welcome to make your own arrangements with entertainers of your own choice.

POMONA'S

Once we have confirmed availability we will require your credit card details in order to secure your booking. These can be given in person, over the phone or via email and are stored securely.

Choices off our Children's Party Menu and Canapés menu must be given to us no later than 7 days before the date of your event.

Important: Due to the nature of our license it is essential that all alcoholic beverages be served in a sealed bottle, ordered and pre-paid no less than 48 hours in advance. Any unopened items will be fully refunded after your event. It is not possible to order additional alcohol on the day of your event.

Please email all food/beverage orders to enquiries@pomonas.co.uk
